

Property Fact Sheet

Architectural Antiques Building
1330 Quincy Street NE
Minneapolis, MN

This handsome brick and timber building was built in 1921 for the Nash Coffee Company. Located in the heart of the NE Mpls artist district. Mixed use building with three floors of studios and first floor of retail, currently occupied by Architectural Antiques. Windows on all floors and all four sides of the building. This is a tremendous opportunity to reimagine the building with residential lofts, boutique hotel and brewery or restaurant.
